Dear Friends of the Baptist Health Care Foundation:

Community. Extraordinary things can happen when a group comes together for common goals. Whether a community of family, one within the workplace, a place of worship or an entire city, great things happen with coordinated purpose, commitment and belief.

Throughout 2022, the Baptist Health Care Foundation will celebrate its 50-year anniversary. Just as you will read about the past year's accomplishments in this communication, the previous five decades are defined by the efforts, generosity and thoughtfulness of many individuals, groups and businesses who have invested resources in Baptist Health's philanthropic arm. Community support over 50 years has allowed the Baptist Health Care Foundation to provide more than \$25 million in grants to Baptist Health facilities and services to add needed state-of-the-art, life-saving technologies, offer countless medical, nursing and allied health scholarships and support Baptist Health team members in times of personal need, professional development or family hardship.

All of this is made possible by a caring community that you are a part of. Thank you for your previous and future support and for believing in Baptist Health's healing ministry.

When you support the Baptist Health Care Foundation, you change lives.

God bless,

Tommy McKinnon
