

BAPTIST HEALTH
CARE FOUNDATION

2022

Year In Review

Dear Friends of the Baptist Health Care Foundation:

Blessings. They come in many forms. For one Baptist Hospice patient, they felt blessed by having their rent paid for in their final days so all financial burdens and worries were set aside, allowing the patient and family to focus on what matters most.

For many Baptist Health Neonatal Intensive Care Patients, blessings came in the form of new technologies being introduced to give our tiniest patients the best chance to thrive.

Many future doctors and nurses were blessed by having some or all of their annual tuition covered by the Baptist Health Care Foundation Scholarship Program.

All of these blessings—and many more—have been made possible by a caring community that you are a part of. Thank you for your previous and future support and for believing in Baptist Health's healing ministry.

When you support the Baptist Health Care Foundation, you change lives.

God bless,
Tommy McKinnon
Vice President, Community Engagement
Executive Director, Baptist Health Care Foundation

When you support our mission, you change lives.
