

2023 BAPTIST HEALTH CARE FOUNDATION YEAR IN REVIEW

Dear Friends of the Baptist Health Care Foundation:

Hope and gratitude echo through this letter, reaching you with the warmth of sincere appreciation. In the embrace of your generosity, last year witnessed miracles unfold. Consider the Baptist Hospice patient whose final days were graced by your benevolence, lifting the weight of financial burdens and allowing precious moments with family to take precedence. Your support provided solace, creating a sanctuary for what truly matters.

In the Neonatal Intensive Care Unit, your impact manifested as a beacon of hope for our tiniest patients. Through cutting-edge technologies, you championed their journey towards a thriving future. Your compassion transformed challenges into triumphs, shaping the narrative of resilience and well-being.

The ripple effect of your dedication extends to the aspiring doctors and nurses supported by the Baptist Health Care

Foundation Scholarship Program. With your assistance, dreams took flight as education became a pathway illuminated by opportunity. You paved the way for the healers of tomorrow, leaving an indelible mark on countless lives.

As we express our profound gratitude for your past contributions, we also look forward to the shared journey ahead. Your belief in Baptist Health's healing ministry is the cornerstone upon which we build futures filled with compassion, care and transformation.

With deepest appreciation and anticipation of the miracles yet to come,

Tommy McKinnon
