
2025 BAPTIST HEALTH CARE FOUNDATION YEAR IN REVIEW

Dear Friends of the Baptist Health Care Foundation,

As we begin a new year, I want to offer my heartfelt thanks for the extraordinary compassion and generosity you continue to share with the Baptist Health Care Foundation. Because of you, hope reached patients, families and caregivers at moments when it was needed most.

This year, your support helped the Foundation raise more than **\$1.1 million**, allowing us to respond to critical needs across our health ministry. Nearly **685 Baptist Health team members** stepped forward as Mission Makers, raising **\$183,000** to support one another and the work we do together. Through the Team Member Emergency Assistance Fund, **57 team members** received help during times of unexpected hardship—a powerful reminder that caring for our caregivers matters.

Your generosity also brought comfort and encouragement directly to patients and families, providing more than **1,100 Bibles and grief resources** to those navigating illness and loss. At the same time, you invested in the future of healthcare by helping award nearly **\$190,000 in scholarships** to students pursuing careers in medicine, nursing and allied health roles.

Community support shined brightly through signature events like **Birdies for Babies**, the **Prattville Baptist Golf Classic** and **Chappy's Deli Breakfast for Babies**, which together generated vital funding for our NICUs and other life-changing programs. And with **102 individuals** choosing to include the Foundation in their estate plans this year, your belief in our mission will continue to heal lives for generations to come.

Your kindness is felt in every patient room, every classroom and every story of hope that begins at Baptist Health. Thank you for standing with us and for believing so deeply in our healing ministry.

With sincere gratitude,

Tommy McKinnon
