YOUR HEALTH

OUR MISSION

Gratitude—It's a powerful expression of the heart.

Baptist Hospice considers it an incredible privilege to care for you or your loved one and share in your journey. There are dozens of ways that members of our care team make a difference in the lives of our patients. We hear about them every day. That's why we established the Grateful Patients and Families Program, which is a meaningful way to recognize the excellent and compassionate care patients and families receive. Your donation is an opportunity to say "thank you." At the same time, your generosity will enhance the experience of future patients and families in need—by helping fund medical treatment and more, while maintaining our proud hallmark of world-class, personalized care. If you've been touched by our care team, please pass the gift along with a donation. Gifts may also be made in memory or honor of a loved one. Your contribution will pave the way for new avenues of healing and hope, and benefit others in need.

Touching lives with the help of compassionate giving.

100% OF ALL FUNDS RECEIVED WILL DIRECTLY IMPACT PATIENT CARE AT BAPTIST HOSPICE.
