As an adult student and mother of two young children, it is humbling knowing there are people cheering you on. The Baptist Health Care Foundation Scholarship has inspired me because it is proof that others care.

Kristen, Baptist Scholarship Program Recipient

Through your support of the *Centering Pregnancy* program, you provided Baby Blankets • Baby Toiletry Sets • Gift Cards Diabetes Education • Hospital Door Hangers to expectant mothers in your community.

Baptist Hospice was so kind and loving with my mother. What they do is hard work and they do it with so much care. I can't imagine those tender moments without them. Thank you for supporting Baptist Hospice.
